## Reflektor für Tridonic Talexx-Module P310 / reflector for Tridonic Talexx module P310

### Spezifikationen / specifications:

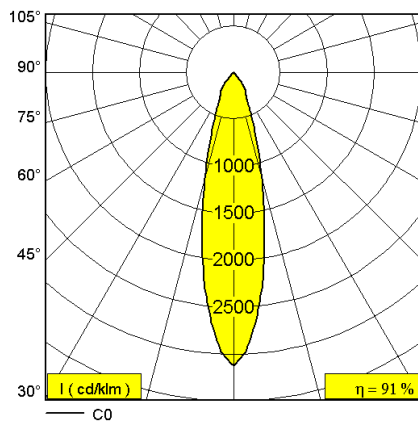

Durchmesser / diameter: Außen / outer  $\varnothing$  75mm; Innen / inner  $\varnothing$  68mm

Höhe / height: 42mm

Öffnung / opening LED:  $\varnothing$  25mm

Material / material: Alunova<sup>®</sup> -LED metallisiert / metalized  
eloxiert auf Anfrage / anodized available on request

### Medium $\approx 24^\circ$
